

Support AB 647!

Dear Governor Schwarzenegger,

We, the undersigned citizens of California, urge you to support AB 647 and to do all you can to see that domestic ferrets are removed from the list of wild animals. AB 647 is the important first step toward the decriminalization of thousands of otherwise law-abiding citizens who happen to keep ferrets as pets. The ferret is legal in every other state on the continent and it is safer to wildlife and people than the dog and cat. It should not be a crime to own a ferret in California!
